V. MATTERS FOR DISCUSSION

A. A. Regional Transportation Governance Discussion

Charlotte Frei, Regional Transportation Planning Administrator, presented a slideshow and led a discussion on regional transportation governance.

This item was brought before the Council and Commission to direct the Regional Transportation Planning Administrator to take initial steps toward regional transportation governance. Three questions are posed for consideration at this meeting:

1. Are the four high-level goals for Phase 1 acceptable
2. What general form should regional governance take
3. Who should be involved in Phase 1 (2023-2024)

Public comment was given by Tim Young, Jared Smith, Lizann Eisen, and Melissa Turley.

Councilwoman Chambers left the meeting at 4:02 P.M.

On behalf of the County, a motion was made by Commissioner Propst and seconded by Commissioner to

to direct staff to convene a Regional Transportation Task Force comprised of those listed in Table 2, as amended to include Teton Village Association and START, for the calendar year 2023 that will accomplish the below and regularly report back to the Council and Commission on its progress:

1. Identify, study, and provide recommendations for developing regional transportation plans in general accordance with state and federal regulations and policies;
2. Build regional partnerships with neighboring counties, WYDOT, relevant Federal agencies, and community stakeholders;
3. Develop a recommended outline of a JPA;
4. Identify the structure for partnerships with other entities, including their role in the decision-making process, and develop a recommended outline of necessary agreements with those entities; and
5. Establish initial procedures to ensure general compliance with state and federal regulations and coordination across Town and County departments.
6. Convene a citizens' advisory committee composed of organizations including but not limited to existing Joint Powers Boards, Resort Districts, and NGOs in task force discussions.
