On behalf of the County, a motion was made by Commissioner Epstein and seconded by Commissioner Barron to approve the consent calendar for today's joint information meeting that includes the minutes for the November 7, 2022 meeting, and the Request to WYDOT for Funding to Update the Regional Transportation Demand Model. Chairwoman Macker called for a vote. The vote showed all in favor and the motion carried for the County.

On behalf of the Town, a motion was made by Councilmember Schechter and seconded by Councilmember Rooks to approve the consent calendar for today's joint information meeting that includes the minutes for the November 7, 2022 meeting, and the Request to WYDOT for Funding to Update the Regional Transportation Demand Model. Mayor Morton Levinson called for a vote. The vote showed all in favor and the motion carried for the Town.

IV. MATTERS FOR DISCUSSION

A. START JPA Discussion

Tyler Sinclair, Community Development Director, presented to the Boards for discussion the START Joint Powers Agreement. The purpose of this item is to respond to the Jackson Town Council and Teton County Board of County Commissioners' request to discuss the terms of the Agreement Establishing Jackson/Teton County Joint Powers Transit System (the "JPA"). Staff requests that, based upon review of the staff report and the attached JPA and amendments, the Council and the Board identify areas they would like to discuss and/or recommend possible amendments for discussion at the meeting.

Jared Smith and LizAnn Eisen, START Board members, and Bruce Abel, Interim Transit Director, answered questions from the Board.

There was no public comment.

On behalf of the County, a motion was made by Commissioner Propst and seconded by Commissioner Newcomb to direct staff to draft and bring back for Council and Commission review, an Amended and Restated START Joint Powers Agreement incorporating all existing amendments, and for the START Board to be reduced to 7.

Chairwoman Macker suggested a friendly amendment to the motion to include a redline of the proposed amendments for the START Board. Commissioner Propst accepted the friendly amendment.

The Board discussed the motion and Commissioner Propst withdrew his motion.

On behalf of the County, a motion was made by Commissioner Barron and seconded by Commissioner Epstein to direct Staff to draft and bring back two documents: one, an amended and restated Joint Powers Agreement incorporating all existing amendments, and two, a redline of that document with START Board's proposed changes and any amendments from staff, and furthermore, to reduce the number of START Board members to 7 (from 9). Chairwoman Macker called for the vote. The vote showed all in favor and the motion carried for the County.

On behalf of the Town, a motion was made by Councilmember Rooks and seconded by Councilmember Jorgensen to direct Staff to draft and bring back two documents: one, an amended and restated Joint Powers Agreement incorporating all existing amendments, and two, a redline of that document with START Board's proposed changes and any amendments from staff, and furthermore, to reduce the number of START Board members to 7. Mayor Morton Levinson called for the vote. The vote showed all in favor and the motion carried for the Town.

The meeting recessed at 4:08 P.M. and reconvened at 4:18 P.M.

B. Wilson Boat Ramp Construction Funding

Steve Ashworth, Director of Parks and Recreation, presented to the Board for consideration of approval a Review of the Wilson Boat Ramp improvement project and formal bid results to determine final scope of work for contract consideration and funding allocation.

The Wilson Boat Ramp is located off of the Moose-Wilson Rd, just north of the Highway 22 Snake River Bridge. It provides an important access to a very popular section of the Snake River, for both local boaters and commercial outfitters. In 2017, a Conditional Use Permit was approved for improvements to the Boat Ramp facility (Fig 1). This plan included paving a portion of the entrance road, graveling the southern loop, and no improvements to the levee. Site amenities included seven trailer parking spaces, a small un-loading area, replacement restrooms, and an information kiosk.

The Boards discussed proposed improvements.

There was no public comment.

On behalf of the County, a motion was made by Commissioner Barron and seconded by Commissioner Propst to authorize an additional \$73,138.30 in FY23 funding From Capital Fund fund balance for the completion of the original project scope of work for the Wilson Boat Ramp Improvement project for a project cost total of \$820,922.30.

There were questions for Staff and Commissioner Barron withdrew his motion.

On behalf of the County, a motion was made by Commissioner Barron and seconded by Commissioner Epstein to authorize an additional up to \$165,735.00 in fiscal year 23 funding from the Capital Fund fund balance for a completion of the original project scope of work for the Wilson Boat Ramp Improvement Project for a project cost total of roughly \$992,398.00, including the add-ons. Chairwoman Macker called for a vote. The vote showed all in favor and the motion carried.

On behalf of the Town, a motion was made by Councilmember Schechter and seconded by Councilmember Rooks to continue this item to a date uncertain. Mayor Morton Levinson called for the vote. The vote showed all in favor and the motion carried for the Town.

V. MATTERS FROM COMMISSION AND COUNCIL – none.

VI. EXECUTIVE SESSION – REAL ESTATE

On Behalf of the County, a motion was made by Commissioner Barron and seconded by Commissioner Epstein to enter executive session pursuant to WY Statute §16-4-

405(a)(vii), to consider the selection of a site or the purchase of real estate when the publicity regarding the consideration would cause a likelihood of an increase in price. Chairwoman Macker called for a vote. The vote showed all in favor and the motion carried for the County.

On Behalf of the Town, a motion was made by Councilmember Jorgensen and seconded by Councilmember Schechter to enter executive session pursuant to WY Statute §16-4-405(a)(vii), to consider the selection of a site or the purchase of real estate when the publicity regarding the consideration would cause a likelihood of an increase in price. Mayor Morton Levinson called for a vote. The vote showed all in favor and the motion carried for the Town.

The meeting entered executive session at 4:55 P.M.

Commissioners Present: Natalia Macker, Luther Propst, Mark Barron, Greg Epstein, and Mark Newcomb.

Town Council Present: Hailey Morton Levinson, Arne Jorgensen, Jim Rooks, and Jonathan Schechter.

Others: April Norton, Tyler Sinclair, Alyssa Watkins, Lea Colasuonno, and Chalice Weichman.

On behalf of the County, motion was made by Commissioner Barron and seconded by Commissioner Newcomb to exit executive session. Chairwoman Macker called for a vote. The vote showed all in favor and the motion carried for the County.

The Town exited executive session, and the meeting exited executive session at 5:03 P.M.

JOINT INFORMATION MEETING

AGENDA DOCUMENTATION

SUBMITTING DEPARTMENT: County Administration

PRESENTER: Charlotte Frei

MEETING DATE: January 9, 2022

SUBJECT: Consideration of Thank You letter to WYDOT Director Luke Reiner for WYO22 and HOV processes

STATEMENT/PURPOSE

The purpose of this item is for the Town Council and County Commission to consider a letter to WYDOT thanking them for advancing the WYO 22 NEPA study by several years and speaking for HOV legislation at the Joint Transportation Committee. The letter also notes staff stand ready to cooperate on the WYO 22 project so that the vision in the ITP is part of alternatives analysis.

BACKGROUND/ALTERNATIVES

The WYO 22 Jackson to Wilson Corridor Study is the NEPA study for Highway 22 from approximately mile marker 0.0 to 5.70, the Y-intersection to N Fall Creek Rd. The NEPA study was expedited by several years per a request from Teton County. Furthermore, the Town and County have been represented at Joint Military and Transportation Affairs Committee meetings in August 2022 and November 2022 to indicate support for proposed HOV legislation. Legislation permitting HOV lane enforcement is necessary to realize a key tenet of the Integrated Transportation Plan: HOV lanes on WYO 22. WYDOT's attention to the WYO 22 corridor study and HOV legislation are laudable and necessary to realize the goals of the ITP.

Director Reiner, Mark Gillett, and several members of WYDOT's executive leadership have attended Joint Military and Transportation Affairs Committee meetings throughout 2022 to speak in support of a bill allowing enforcement of High Occupancy Vehicle (HOV) lanes. The bill was approved by the committee in November 2022; the approved bill will be introduced to the Senate and then House in the January 2023 legislative session. The WYO 22 NEPA study was also advanced several years. The letter also notes staff is ready to cooperate with WYDOT regarding the NEPA study to ensure the guiding principles of the Comprehensive Plan and Integrated Transportation Plan (ITP) are factored into stakeholder discussions and, ultimately, design alternatives for Highway 22.

Alternatives are to not send the letter or to revise the letter prior to transmitting it to Director Reiner. Sending the letter indicates gratitude and a willingness to cooperate with WYDOT; not sending the letter or modifying it may be a missed opportunity to build a more productive relationship with WYDOT leadership.

COMPREHENSIVE PLAN ALIGNMENT

The guiding vision and chapter goal for Multimodal Transportation (Chapter 7) of the Comprehensive Plan is:

Travel by walk, bike, carpool, or transit will be more convenient than travel by single-occupancy vehicle.

Chapter 7 of the Comprehensive Plan Principles include:

"Principle 7.1 – Meet future transportation demand with walk, bike, carpool, transit and micromobility infrastructure",

"Principle 7.2 – Reduce greenhouse gases from vehicles to below 2012 levels", and

“Principle 7.3 – Coordinate transportation planning regionally. The Town and County do not have jurisdiction over all components of the transportation network, and so we must lead coordinated efforts to achieve our transportation goals. Various Federal, State, local government, and non-governmental entities fund and manage pieces of the transportation system into and within the community. Coordinating the efforts of all of these entities with the land use efforts of the community is the only way we can meet our transportation and ecosystem stewardship goals.”

Staff will engage with WYDOT through the NEPA process to ensure alternatives reflect these three principles.

STAKEHOLDER ANALYSIS

The Transportation Advisory Committee has reviewed the letter and provided comments.

FISCAL IMPACT

N/A

STAFF IMPACT

The Regional Transportation Planning Administrator will spend up to 180 hours coordinating with WYDOT on the WYO 22 Jackson to Wilson Corridor Study throughout 2023. This may include meetings, commenting on draft documents, and similar. WYDOT has indicated that Town and County staff will be invited to participate in WYDOT’s stakeholder engagement process, however that process has not yet been defined.

Director Major General Luke Reiner
Wyoming Department of Transportation
5300 Bishop Blvd.
Cheyenne, WY 82009-3340

Dear Director Reiner,

We are writing to thank WYDOT for expediting the *WYO 22 Jackson to Wilson Corridor Project* by several years. This is a critical corridor for our community and the economies of Wyoming and Idaho. We look forward to close engagement with WYDOT on this study. We also appreciate that WYDOT selected an experienced prime contractor and subcontractor team to execute the study.

We also want to thank you and your executive team for your leadership regarding High Occupancy Vehicle (HOV) lane legislation through the Joint Military Affairs and Transportation Committee. WYDOT's credibility and testimony in committee meetings are critical to the success of this measure. We appreciate the time you and your team have invested in creating and advancing this important legislation for Wyoming. We look forward to exploring HOV lane configuration, as identified in the community Integrated Transportation Plan (ITP), through the WYO 22 NEPA process.

Our community applauds WYDOT's mission of a safe and effective transportation system that enhances quality of life. While developing our ITP for Jackson and Teton County, the community spoke through two public workshops in 2014 and an additional two workshops in 2020 for the ITP update. These workshops were in addition to dozens of community and stakeholder workshops held to gather feedback regarding the Jackson/Teton County Comprehensive Plan. We look forward to our community's existing collaboratively developed vision being reflected in the alternatives analysis step of the WYO 22 study. Our staff stands ready to engage and cooperate with WYDOT to ensure our community's collective vision is discussed and incorporated.

Again, we want to thank you, your executive team, and your District 3 team for your leadership and continued cooperation. As nonmetropolitan local officials, we look forward to cooperating with WYDOT to achieve our shared objectives for the region, as well as achieving our shared vision of multimodal mobility corridors that will attract and retain talent and young families to communities in Wyoming.
